Today Vietnam is known around the world as a destination for a host of nature-based adventures and activities and eco-tourism. Be it from challenging rock climbing or cross-jungle trekking at different mountain zones to wild rafting in frothing rivers, or diving in calm seas to parasailing in the multi-hued skies. They are all found in Vietnam. Well over half of Vietnam's land mass is covered in rainforest environments or at least plantations. With the diversity of habitats, there are many places having abundant bird life to choose from. As the various bird watching and nature sites around the country are easily accessible, it is easy to understand why bird lovers are drawn to Vietnam. Caving or spelunking enjoys a good following in Vietnam. Vietnam is endowed with vast numbers of limestone caves, including a World Heritage Site. They are home to amazing wildlife such as fruit bats, birds with edible nests or attractive stalagmites and stalactites. Many are surrounded in mystery and legends. Archeological research has found evidence of early man in many of these cave sites. Vietnam's rugged undulating terrain, dense rain forests crossed by rapid rivers make it an irresistible destination for four-wheel drive or 4WD (4 x 4) expeditions. The heat, mud, rolling hills and rainstorms add to the challenge in the grueling yet exhilarating off-road driving.

Vietnam has heavily embraced modern technology to build one of the world's tallest skyscrapers, HNCC (Hanoi City Centre) and a huge cyber centre for information and communication technology business, the MSC (Multimedia Super Corridor). The major cities like, Hanoi (HN, the capital of Vietnam), the city is covered by tall concrete buildings and bristle with ambitious new building projects. However, tourists can still find exotic markets and plenty of local heritage and colors in these cities and they can easily book hotels in Hanoi online with reasonable price. In spite of that, Vietnam still has atmospheric, refreshing and tourism colonial hill stations in the highlands in various states and some of the world's most remote jungle in Sabah and Sarawak. As a result, tourists to Vietnam can easily ratchet up or down the

levels of adventure and comfort, or the type of activities and sight-seeing they want to experience or see.

Discover Vietnam's cool highland resorts. The highland resorts located on the mountains in Vietnam, and Sabah and Sarawak in East Vietnam. These highland resorts are a refreshing change for those visitors who prefer a cooler environment from the warm and hot tropical weather in Malaysia. The temperatures in these highland resorts ranging from 16 degree Celsius to 21 degree Celsius. These highlands offer fresh mountain air and natural breathtaking beautiful fauna and flora. Each highland in Vietnam has a distinctive character of its own and is a unique gateway for visitors.

Want to do something different other than usual leisure pursuits like sightseeing and shopping? Visit Vietnam is much needed break for this. Discover Vietnam's natural breathtaking beauty in the jungle or forest parks. Tourists can take their time learning, observing and appreciating the wonders and beauties of the nature in Malaysia national parks. Just imagine yourself the deep solitude of primeval forest lulling you into blissful oblivion; where the only music that you hear is the song of the birds at dawn and the orchestra at dusk is the crescendo of chirping cicadas. Bask in the tranquil seclusion of the unspoilt beaches and remote offshore islands as you silently explore its hidden depths and wonderous underwater treasures.
